Dear Madame/Sir,

you are cordially invited to attend the 20th International Conference of the Society for Medical Innovation and Technology (SMIT) to be held at the Campus Altes AKH, Vienna (Austria) from 28 - 30 August, 2008.

The 2008 SMIT International Conference is shaping up to be one of the most exciting and important meetings in the medical innovation field.

PRELIMINARY TOPICS FOR SMIT 2008:

- New Imaging Technology
- Endoscopic Surgery
- MR Safety and Compatibility
- Operating Room of the Future
- Tumor Ablation
- Focused Ultrasound Therapy
- Molecular Imaging
- Image Guided Robotics
- Simulation and Training
- Targeted Drug Delivery

These topics will be presented by an international forum of outstanding endoscopic surgeons, interventional radiologists, biomedical engineers and industrial instrument manufacturers.

Plan to join us and spend a few days learning, participating in stimulating discussions, networking and sharing ideas with SMIT members and other attendees. We are looking forward to seeing you in Vienna next August 2008.
